Leave of Absence

Mr. DEPUTY SPEAKER.—I have received a letter from Sri G. B. Shankar Rao requesting leave of absence from the House from 3rd April till the end of the current session as he has been deputed by the Government of Mysore to attend the Orientation Training course at the Central Institute of Study and Research on Community Development.

Is it the pleasure of the Assembly that permission be granted to Sri G. B. Shankar Rao for remaining absent from all the meetings of the Assembly till the end of the current Session ?

HON'BLE MEMBERS.—Yes.

Mr. DEPUTY SPEAKER.—Permission to remain absent is granted.

PAPERS LAID ON THE TABLE

Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—I beg to lay on the Table the Budget Estimates of the Mysore State Electricity Board for the year 1959-60 as required by section 61 of the Electricity (Supply) Act, 1948.

REPORT OF THE BUSINESS ADVISORY COMMITTEE.

Mr. DEPUTY SPEAKER.—I present the Ninth Report of the Business Advisory Committee.

Sri B. VAIKUNTA BALIGA (Mangalore I).—I move :

"That this House agrees with the Ninth Report of the Business Advisory Committee."

Sri M. C NARASIMHAN (Kolar Gold Fields).—I beg to move :

"That the Business Advisory Committee's Report be referred back to the Business Advisory Committee for considering the suggestion of allocating 10½ hours for discussing the Mysore Land Reforms Bill."

Mr. DEPUTY SPEAKER.—Amendment moved :

"That the Business Advisory Committee's Report be referred back to the Business Advisory Committee for considering the suggestion of allocating 10½ hours for discussing the Mysore Land Reforms Bill."

Sri M. C. NARASIMHAN.—I need not speak at length so far as the Mysore Land Reforms Bill is concerned. Originally 3 days were allotted. It is admittedly a very important Bill.

Now, I find from the Report of the Business Advisory Committee that only 3½ hours have been allotted; that means, the Bill itself may not be even referred to the Select Committee in the course of the session. What is going to happen to the Bill, nobody knows and even nobody can say what will happen to so many other things that may come up for consideration. So, I suggest that this matter might be referred back.

I have one more point and that is this. The Public Accounts Committee and the Estimates Committee Reports which were also promised to be presented during the current session do not find any place anywhere. Lastly, I find there is item No. 4 put down for 27th April 1959 and that is Mysore Tenancy Laws (Amendment) Bill, 1959. That was not a Bill that was introduced in this House and no such Bill has been supplied to us. I wonder how the Business Advisory Committee allocated time for such a Bill
